

STF Shipping Limited

Dear Valued Customers,

In order to provide better service , hereby we are informing you that STF will implement a penalty fee for revised the drop off location.

The penalty fee shall apply in,including but not limited to,the following circumstances:

The drop off location submitted during booking is inconsistent with the final drop off location,specifically including but not limited to,revised the drop off location when the shipment departed from port of origin.

In relation to the drop off location amendment before the container has been picked up from port of origin,the penalty can be waived.

The penalty for revised drop off location:USD200 per container.

Effective day: 13 December 2024 until further notice

To prevent the incursion of any penalty,please ensure that you establish,check,and submit the correct cargo details at time of booking.

Thank you for your support.

Warm regards

STF Shipping Limited
